- Additional Road books may be purchased at \$50.00 inc tax each

## **5. DESIGNATED OFFICIAL**

It is an obligation of entering the event to supply a “designated” Official

All competitors are required to provide one person to act as a road closure official for at least one stage at the event. This cannot be a person who is already registered, but someone unique to you, nominated by you

What we are after is 1 “new” person to do 1 road closure on the event.

A big (and getting bigger) problem for rallying right now is volunteer numbers, and this is our strategy to address that. So, just a road closure, just once

Please be sure to have your nominated person put your name or team name in the special requests section of the form here: -

Looking forward to your entry

Cheers Ivar
